Just a bit of church history: Did you notice the Nativity Set by the elevator? This is the original set that used to be outside on the corner of SE Front Street and Franklin Street. It is about 50 years old. The actual wooden manger started falling apart, so it is no more. The other wooden set prior to this one is also gone. Stop by and enjoy seeing our nativity from the past. Also in the vestibule, the Christmas tree is decorated with Chrismons! Many years ago, Calvary ladies gathered to make these religious symbols which represent different aspects of the life of our Savior and His teachings. The Chrismon tree is to help everyone see that Christmas is the celebration of Jesus' birth. I enjoyed being part of the group years ago, who made these Chrismons. Blessings, Dona
